

SUMMIT ENDORSED BY ROYAL COMMISSION AT JUBAIL

3rd Annual Power & Transmission Summit 2017

The **Royal Commission of Jubail**, Kingdom of Saudi Arabia, is delighted to support Nispana Innovative Platforms in organizing the **3rd Annual Power & Transmission Summit 2017**, which is scheduled to take place on the **15 & 16 March 2017** in Riyadh, Kingdom of Saudi Arabia.

The **Royal Commission of Jubail**, Kingdom of Saudi Arabia extends its full-fledged support and endorsement for the **3rd Annual Power & Transmission Summit**. The **Royal Commission of Jubail**, Kingdom of Saudi Arabia invites all specialized companies from the Power and Transmission sector to ensure their participation, contribution and provide all support for the success of this summit and to learn and contribute towards the power sector across the Kingdom of Saudi Arabia.

This summits aims to bring together companies from across the power sector who have already adopted the available technologies, companies who are yet to adapt it, who are looking to re-educating themselves and also looking to buy new solutions. The **3rd Annual Power & Transmission Summit** also highlights future of renewable energy, clean technology, sustainability, technology transfer & indigenization and capacity building to support local manufacture of renewable energy systems and components. The theme for this exclusive summit is "**Moving towards a sustainable and efficient power sector**"

We hope this summit will provide a useful platform for various stakeholders to exchange experiences, debate divergent viewpoints, exchange ideas and come out with innovative solutions which will lead to faster developments across the power sector.

The **Royal Commission of Jubail**, Kingdom of Saudi Arabia complements the organizers **Saudi Event Management & Marketing Company "SEMARK"** and **Nispana Innovative Platforms** for their continuous efforts in the power sector across the Kingdom of Saudi Arabia and wish their endeavor a great success.
